# *Wedding Booking and Cancellation Policy*

## **Deposit, Confirmation and Cancellation**

The undersigned accepts the responsibility for the services and prices listed within the attached wedding contract. All events are considered tentative until a non-refundable deposit of \$1,500.00, a credit card authorization, a signed copy of your wedding contract and Wedding Booking and Cancellation Policy have been received and accepted by the sales and catering department. A deposit of 50% of the total estimated amount due is required thirty days prior to the event. The remainder will be due one week prior to the function. Reservations will be held as tentative for ten (10) business days pending receipt of a deposit, signed contract, and credit card authorization form. Reservations that are not confirmed within the applicable time period will be deemed canceled without notice. The Seacliff Inn will have no further obligation to the client to hold or reserve the date and will be free to solicit other business for the date. No exceptions. Should a wedding reception be cancelled less than forty-five (45) days prior to the event, the Seacliff Inn will charge the contracted estimate count.

## **Guarantee**

The Seacliff Inn requires a minimum of 50 persons for all weddings. An estimated attendance figure is to be provided at the time the function is scheduled. A final guest count is required ten (10) days prior to the event. This number will be the guaranteed number charged. If the group count surpasses the final count, the group will be charged for those in attendance. The guarantee number is used to purchase supplies and schedule staff; therefore, that number is the number that will be charged if fewer guests attend. If a guarantee is not provided, the estimated attendance figure will automatically become the client's guarantee and charges will be made accordingly.

## **Outside Food and Beverage**

Due to Health Department and Alcohol Beverage Control Laws and Regulations, all food and beverage products must be prepared and served by the Seacliff Inn staff. Exceptions include specialty cakes (i.e. Birthday or Anniversary). All specialty cakes brought in must be arranged with the Seacliff Inn in advance of the event, and may be subject to a fee. Food or beverage may not be removed from the premises. No exceptions.

## **Alcohol Beverage Services**

All dinner parties with fifty (50) or more guests are encouraged to purchase a private bar in the banquet room. If a group decides against purchasing a bar, alcoholic beverages may not be purchased at the main bar and taken into the banquet room. As a licensee of the State Alcohol Beverage Control Authority, the Seacliff Inn strictly adheres to all laws and regulations pertaining to service and sale of alcoholic beverages. We ask for your understanding and must insist upon your cooperation in preventing sales to minors or intoxicated persons. The contact person for the function is responsible for all unpaid bar tabs opened by guests.

## **Decorations, Birdseed and Rice**

The Seacliff Inn is open to all of the decorating ideas you may have. Please contact the Sales and Catering department for any restrictions regarding the room. We recommend that all incidental decoration set up be taken care of by our staff (i.e. toast glasses, guest book, cake cutting set, etc.). The Seacliff Inn does not allow birdseed or other substances to be thrown on the property.

## **Billing**

The contact noted on this contract is responsible for all banquet charges incurred. All banquet charges are to be paid upon completion of the event. Any event not paid upon completion will be charged to the credit card on file. No exceptions.
