Room Blocks - Frequently Asked Questions

Our team is committed to making the planning process as simple as possible. Whether you are looking for a hands-off approach or want to take the reins, we have two options available to suit each couple's individual needs.

COLD FEET

Calling all DIY couples, we have a feeling this will be right up your alley! Keep it simple and easy.

Do I have to sign a contract or put down a deposit to secure rooms?

Great news! When choosing our 'Cold Feet' option there is no contract needed to book rooms and there is no deposit required.

Our sales team will be delighted to provide you with a shareable link, allowing your guests to access a discount of up to **15%** off our Retail Rate*.

Do I have to provide my credit card for my guests to book rooms?

Rooms can be booked at your guests' convenience online via the link provided and will require their individual credit card to guarantee the room.

How long do my guests have to book their rooms?

The discount provided will be available up to 14 days prior to your big day. Please note that we will not be able to hold rooms when choosing the 'Cold Feet' option and we will not be able to share who has and who has not booked in your party.

Can you block all my guests close together?

Unfortunately, we are not able to accommodate this request when choosing our 'Cold Feet' option. If this is an important factor when making your decision, please take a look at our 'Full Commitment' option.

I have welcome bags for all my guests, will you be able to drop those in each room or hand them out at check-in?

Unfortunately, we are not able to accommodate this request when choosing our 'Cold Feet' option. If this is an important factor when making your decision, please take a look at our 'Full Commitment' option.

FULL COMMITMENT

Looking for a little more? Work with a dedicated hotel sales staff member to care for your group from planning through departure.

Can you block all my guests close together?

We will make every effort to block the rooms in your group as close together as possible. Your dedicated sales staff member can also share an update with you on reservations made into your contracted room block.

I have welcome bags for all my guests, will you be able to drop those in each room or hand them out at check-in?

You bet! Room deliveries are available for a **\$8 fee per room** or if you prefer we hand them out at check-in, there is a **\$5 fee per bag**.

Do I have to sign a contract or put down a deposit to secure rooms?

With our 'Full Commitment' option, clients will sign a contract that provides them with a set room rate for all guests and a guaranteed number of rooms within the room block. All contracted rooms are pulled from our inventory and held for your wedding guests until 30 days prior to your big day.

You are not required to put down a deposit but you are required to provide a credit card to hold the rooms in the contract. There is a minimum of 10 rooms per night for one night or more. You will be financially liable to pay least 80% of the rooms you contract.

How many rooms should I book?

It is always best to book the minimum number of rooms and add more later if needed and available. This approach will help you mitigate any financial liability should your group not utilize all contracted rooms.

How do my guests book their rooms?

Your dedicated sales team member will be delighted to provide you with a private booking link created for your guests with booking done online at their convenience up to 30 days prior to your big day or guests can call the hotel directly. When calling direct, guests must request your specific wedding block.

*Discount and rates will vary based on demand and availability. Discount is applied to current Retail Rate at the time of booking and thus the rate for each guest may vary. All rates and discounts are subject to availability and blackout dates may apply.
